[Supporting Emotional Needs of the Gifted \(SENG\)](#)

SENG's mission is to "empower families and communities to guide gifted and talented individuals to reach their goals: intellectually, physically, emotionally, socially and spiritually." Their website provides research, programs and articles to support parents of gifted children.

[Parent Institute- Arizona Association for Gifted and Talented](#)

The Parent Institute provides parents with an annual event to attend seminars on parenting gifted children and network with families of other gifted students. Also available through this link is the AAGT's parent resources links.

National Association of Gifted Children

This nonprofit organization is for parents, teachers, educators, other professionals and community leaders addressing the unique needs of children with demonstrated gifts and talents. www.nagc.org/

Center for Talented Youth

This Johns Hopkins University program identifies America's top academic students in grades two through eight and provides challenging educational programs through their tenth grade year. www.cty.jhu.edu/
