Dear Ms. Cabanilla:

We are pleased to announce that Liberty Elementary School District is a recipient of the Western Region's 2017 Champions of Breakfast Award for the category *Successful Startup of a New School Breakfast Program*.

The Champions of Breakfast Awards recognize schools and districts that operate exemplary School Breakfast Programs. We celebrate your success in implementing a Grab and Go Breakfast to meet students where they arrive in the morning, as well as your strength in promotion of the School Breakfast Program that includes parent outreach and school announcements.

To recognize Liberty Elementary School District's commitment to School Breakfast, please accept this Champions of Breakfast Award certificate and banner as a token of our appreciation. Thank you and your team for your dedication to providing nutritious breakfasts to children.

In addition, the Western Regional Office would like to invite you to share your story and present your best practices on a webinar prior to next school year. If you are interested in participating in this opportunity, please contact Michelle Chirby at 415-645-1941 or michelle.chirby@fns.usda.gov.

Sincerely,

A handwritten signature in cursive script that reads "Marisa Cheung".
